

When you cross the road remember:

THINK

Find the safest place to cross. Where possible, use a pedestrian crossing.

STOP

Stand on the pavement near the kerb and make sure that you can see the traffic.

LOOK AND LISTEN

Look all around you for traffic and be sure to listen carefully for things you can't see.

WAIT

Wait until it's safe to cross. If traffic is coming, let it pass. If you're not sure, don't cross.

LOOK AND LISTEN AGAIN

When it is safe, walk straight across the road. Don't run. Keep looking and listening.
